Have developed processes in running my business. In consulting with my clients have helped them develop procedures that make them more effective in decision-making and motivating employees to work effectively on teams.

Teamwork is essential in the 21st century. Leadership has a number of core competencies. These include collaborating with others, resolving conflict, facilitating decision-making, listening and honoring the opinions and feelings of others.

Why do you want to serve as a District leader?

To not only help the District to grow, but to provide practical opportunities for Toastmasters to grow in their careers. My goal is that Toastmasters in District 10 be recognized for providing these opportunities in partnership with other organizations and become a safe place for safe dialogue in our communities.

In your opinion, what are the District mission's major objectives and how would you work to achieve them?

To grow and become a Distinguished District. My goal is to develop the relationship with Rotary Clubs that Toastmasters International has opened.
