We build new clubs and support all clubs in achieving excellence.

Club Mission

We provide a supportive and positive learning experience in which members are empowered to develop communication and leadership skills, resulting in greater self-confidence and personal growth.

United States Pledge & National Anthem

Pledge of Allegiance

"I pledge Allegiance to the flag of the United States of America and to the Republic for which it stands, one nation under God, indivisible, with Liberty and Justice for all."

The Star Spangled Banner

Oh, say can you see by the dawn's early light
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars thru the perilous fight,
O'er the ramparts we watched were so gallantly streaming?
And the rocket's red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there.
Oh, say does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?

A Message from our International Director from Region 6

Dawn Frail, DTM, ID

Greetings District 10!

It is my pleasure to welcome you to your annual conference, where you have come together to learn, grow and Level Up! This year's conference is more than just an opportunity to gain new knowledge and skills; it's a chance to challenge yourselves, push your limits, and take your personal and professional development to the next level. It is an opportunity for you to expand your horizons and explore new ways of thinking and doing. The theme "Level Up" is particularly fitting as it challenges us all to take our skills and abilities to the next level and strive for excellence.

I encourage you to make the most of this opportunity. Network, learn from each other, and come away from this conference with new ideas and approaches that will help you achieve your goals. Most importantly, come away from this event with renewed energy and an uplifted spirit as you continue along the path of your personal Toastmasters journey.

Thank you for your commitment to this conference. Thank you to the many hands that have come together to make this a fantastic event for everyone. And thank you for your continued commitment to your fellow members as we continue along the path of learning together.

Best wishes for a successful Conference!

Dawn Frail, DTM, International Director, Region 6

A Message from our District Director

Bob Churilla, DTM

Welcome to the first District 10 Hybrid Conference! We are thrilled to be back in person as well as online. Our Conference this year is action-packed with opportunities for learning through presenters in the General Session and Education Sessions, networking opportunities and the chance to honor the many achievements of our members. A Conference of this nature requires much planning and the assistance of many dedicated volunteers to make it happen.

We are fortunate to have as our Keynote Speaker, Immediate Past International President, Richard Peck DTM. In addition, we have Accredited Speaker, Bob Hooey DTM, to share his thoughts on professional speaking.

At this time, I would like to acknowledge the hard work of our two Conference Co-Chairs, Tracey Touma, DTM and Catherine Peterson, DTM. Their selfless work has made this Conference a reality. Our two Education Chairs, Deonna Moore Taylor and Pete Punwani, have lined up excellent Education Sessions that deal with communication, leadership, club building and professional speaker topics.

The Conference Program also contains a Friday night social and a Fireside Chat with Richard Peck. Saturday's highlights include the International Speech Contest and the Table Topics Speech Contest, followed by the recognition of those achieving their DTM between 2019-2022 and the DTM Gala.

I would like to conclude with a shout out to our Program Quality Director, Sandra Orland, DTM and her team, whose vision and hard work have made this Conference a reality. Enjoy the Conference!

A Message from our Program Quality Director

Sandra Orland, DTM

Welcome to the 2023 District 10 Hybrid Conference! Our theme, Level Up District 10, was developed through a collaborative, cohesive vision with our Conference Chairs and Education Chairs. We are thrilled to have you join us this weekend as we embark on an exciting journey of growth and development.

As Toastmasters, we are always striving to improve ourselves and reach new heights in our personal and professional lives. And here in District 10, we are committed to helping each and every one of our members do just that while keeping focus on our District mission “To grow new clubs and support all clubs in achieving excellence.”

Through District 10’s innovative programs, world-class events, and supportive community, we aim to empower our members to become the best versions of themselves. Whether you are a seasoned speaker or just starting out, there is always room to level up and take your skills to the next level.

So sit back, relax, and get ready to be inspired. We have an incredible lineup of speakers and activities planned for you, all designed to help you take your Toastmasters journey to new heights. Thank you for joining us, and let's get ready to LEVEL UP DISTRICT 10 together!

A Message from our Club Growth Director

Andrea Wells, PM5, LD5, SR2

Greetings Toastmasters,
I am thrilled to welcome you all to our District conference with the exciting theme of "Level Up." As we gather together, we are reminded of the words of Yoda, who famously said, "Do or do not, there is no try." At this conference, we are here to do, to push ourselves beyond our limits and take our public speaking and leadership skills to new heights.

The theme of "Level Up" is particularly fitting, as it brings to mind the rigorous and disciplined training that we, as Toastmasters, must train and practice with intention and purpose, in order to achieve mastery in our craft.

Throughout this conference, we will have the opportunity to learn from some of the most talented and experienced speakers and leaders in our community. We will engage in interactive workshops and activities that will challenge us to step out of our comfort zones and push ourselves to new heights.

Just as Luke Skywalker trained under the guidance of Yoda, we too will be guided by our own Jedi Masters, who will help us hone our skills and develop new ones. And like any good Jedi, we will learn the importance of perseverance, discipline, and focus in achieving our goals.

So let us embrace the spirit of this conference, and let us commit ourselves fully to the journey of growth and self-improvement. May the force be with us all as we level up our public speaking and leadership skills!

A Message from our Conference Co-Chairs

Tracey Touma, DTM
and
Catherine Peterson, DTM

Welcome to 2023 District 10 Hybrid Conference. It has been an honor and privilege to work with many of you behind the scenes to make this conference come together.

The vision behind this conference is getting back to the core values of what Toastmasters International stands for. First and foremost, without members, there are no clubs, no organization. Foundationally, this is the first building block. Growing clubs and new members is at the heart of it all. This is similar to team building at work. This is how to make teams successful.

The next level is communication. This is how to find your voice, self-confidence, knowing when and how to speak, to have your message be heard and understood. Learning to have crucial conversations, how to use gestures, tone, and pausing when appropriate. Receiving feedback with grace and giving constructive feedback. Active listening skills are so critical and can be learned.

The next level up is leadership. You have the opportunity to practice leadership in your clubs by being an officer and Toastmasters provides training to support you! You can continue your leadership journey by becoming part of District leadership. The opportunities are plentiful. You get to practice along the way with coaching and mentoring.

The pinnacle is becoming the very best version of yourself. That is Toastmasters' ultimate goal that through this organization you are able to become and to continuously grow and becoming the very best version of yourself.

As we begin this journey together at this conference by resetting back to the core of Toastmasters, we hope you will continue to LEVEL UP and become the very best version of yourself. LEVEL UP!

Leading with Trust – the One Thing that Changes Everything

Ralph Cagna

We live in an age where trust seems to be in short supply. Much of the political, economic, and social landscape has become increasingly cynical and harsh, thus making the expression of and the reaping of the fruits of high trust elusive. When that void of trust carries over into our workplaces, the stage is set for subpar outcomes for both those working within the organization and for the clients/customers it serves.

Speaker bio:
Ralph Cagna (MBA), a former Air Force Officer, made a "soft landing" in the Healthcare Information Technology field at Cleveland Clinic where he worked for 25 years.
He is the Founder of **Lean Into Leadership**, which is chartered to equip and encourage leaders to lead with ***determination, humility, grit, and grace.***

District 10 began with the formation of Akron Toastmasters Club #151. Lewis (Lew) Turner, while visiting California in the 1930s, heard of an organization that promoted self development and the "how-to" for more effective communication.

He was so impressed after visiting the club of our founder, Ralph Smedley, that he vowed to form a club upon his return to Akron. He started the first Toastmasters Club in Ohio, which was chartered in December 1939. It became the 151st community in the world to welcome Toastmasters.

The idea spread and by 1941 there were seven Toastmasters clubs in Ohio. Lew Turner then set in motion the formation of the District in 1941 where a minimum of 10 clubs was required.

In early 1942, we became the Tenth District in the world to be formed and thus District 10. Lew Turner was appointed by Dr. Smedley to serve as District Governor until the first election was held in 1943.

Lewis Turner also felt strongly about women gaining the same skills that men were receiving through Toastmasters. He learned that Dr. Smedley had been instrumental in forming an organization for women, the International Toastmistress Club. Lewis Turner helped form the first Toastmistress club east of the Mississippi in 1941, "The Akron Club." In 1973, Toastmasters club membership was opened to women.

Turner's interest in Toastmasters energized him to become an International Director in the 1940's and ultimately the 1949-50 International President. He is one of two District 10 members to have served as International President. The other was T. Vincent (Vince) McIntire (1956-67). There have been 11 other members from District 10 who have gone on to become International Directors.

By 1953, there were 63 clubs in District 10 when the clubs in southern Ohio petitioned for establishment of another district. The new district started operating as District 40 on July 1, 1953 with 39 of the clubs from District 10, leaving us with 24 clubs. By July 2003, District 10 set a new record of 100 clubs. There are currently 106 clubs in the District.

District 10 hosted the 1969 International Convention at the Sheraton-Cleveland Hotel, with Eldon Phillips as the Chairman. In 1991, Nate Parries conducted the Memorial Tribute at the International Convention in Atlanta.

Did you know: *Toastmasters International (TI) has more than 280,000 members, in over 144 countries, with over 14,700 clubs. According to TI (as of September 2020) fewer than 3% of all members ever achieve their DTM.*

Congratulations!

Welcome back, "Virtual Years" DTMs!

The 2023 version of the DTM Minting Ceremony has been three years in the making, and will be like no other!

In addition to the traditional Minting Ceremony for the newest DTMs, members who earned their DTM during the COVID-19 pandemic have been invited to finally take their turn walking the traditional Walk of Fame (aka "DTM Gauntlet") in person. Along with the newly minted members, they will be welcomed into this unique club by those who've come before them.

From mid-2019 to present, **60 District 10 members have earned 55 traditional and 14 Pathways DTMs for a total of 69 DTM awards!**

Congratulations to District 10's newest DTMs!

These Toastmasters achieved their Distinguished Toastmaster (DTM) awards in the last year and will be celebrated at the DTM Gala on Saturday evening, May 6, 2023
