Mission Statements

Toastmasters Mission
We empower individuals to become more effective communicators and leaders.

District Mission
We build new clubs and support all clubs in achieving excellence.

Club Mission
We provide a supportive and positive learning experience in which members are empowered to develop communication and leadership skills, resulting in greater self-confidence and personal growth.

United States Pledge & National Anthem

Pledge of Allegiance
"I pledge Allegiance to the flag of the United States of America and to the Republic for which it stands, one nation under God, indivisible, with Liberty and Justice for all."

The Star Spangled Banner
Oh, say can you see by the dawn's early light
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars thru the perilous fight,
O'er the ramparts we watched were so gallantly streaming?
And the rocket's red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there.
Oh, say does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?

A Message from our Region 6 Advisor

Jenilee Taylor, DTM, PDD

My dear fellow Toastmasters and District 10 family,

People, Purpose, Passion! What a perfect way to encompass the strengths that our district embodies. So much has changed in our world over the last several months, and with all of the uncertainty it can lead us to feel isolated. However, I have seen quite the opposite from our members! As Toastmasters we have shown that it is our role and responsibility to come together and to build each other up. We have come together for support and connection.

People - Our members are the heartbeat of the district. The stories of resilience and transformation that have been told this year are inspirational. Listen to these stories, and feel encouraged to share your story, as well.

Purpose - We remember back to what our Why was for initially joining the organization, and help others to find their Why.

Passion - Our passion for Toastmasters keeps us continuing to work through the challenges that online meetings, online contests, and retaining membership have resulted from being separated.

While our Toastmasters experience has looked just a little bit different than we expected it would, we are still here to celebrate the people, purpose, and passion that we know and love about District 10! I look forward to seeing you all throughout the weekend.

Take care of one another,

Jenilee Taylor, DTM, PDD
Region 6 Advisor 2019-2021

A Message from our District Director

Sravanthi Vallampati, DTM

People. Purpose. Passion.

Now, that's a theme we can all get behind; the very embodiment of our collective endeavor and spirited pursuit; the essence of what we strive for each day.

My dear District 10 family,

Congratulations! Your extraordinary commitment has made this day come alive! These past nine weeks have been nothing like what we had envisioned, yet we have not let the challenge wear us down. We leaned on and drew from one another to write the playbook for what will surely go down in the history of District 10 as an unforgettable chapter of courage and camaraderie in the face of change.

When we voted at the end of March to go ahead with the virtual conference, the task seemed insurmountable. But again, the fact that we voted yes was refreshingly bold and passion forward. Since that day, our outstanding conference chairs, Ines Jimenez and Mark Meisner, and their teams of dedicated volunteers, many of which you are part, have shone in their leadership. What's in store for us at the conference is an outstanding review of keynote speeches, education sessions, networking opportunities, contests, recognition, and much more, masterfully coordinated by Program Quality Director Alicia Smith-Kirk.

A star-studded lineup of energizing keynotes led by International Director Dr. Carol Prahinski and Accredited Speaker Dr. Paul Artale, woven in with six amazing education sessions planned by our Education Chair Bob Churilla, bedazzled with recognition spotlighted by DTM Chair Dan Minder, and concluding in a run for championship International Speeches and Table Topics showcased by Contest triad Vicky Nann, Lenroy Jones, and Keith Wilhelm, is sure to keep all of us at the edge of our seats for a one-of-a-kind ensemble put on by People with Passion and Purpose. I could not be more proud of the talent our District holds.

Today is a day to reflect on how we have distinguished ourselves by coming together and building one another amidst uncertainty; a day to inspire others and be inspired as Toastmasters who continue to march forward together. As you share conversations and make new connections online, I want you to remember your Why. The reason you joined Toastmasters and the confidence and support you have gained through the gifts of friendships it has afforded you. I want you to extend it to others; show them what a fun and enduring experience Toastmasters can be. Invite them to join us at the conference and beyond. Let's see if we can't make this virtual conversation the best celebration yet!

Onward and Upward my friends,

Sravanthi Vallampati

A Message from our Program Quality Director

Alicia Smith-Kirk, DTM

A very big thank you to our District Director, Sravanthi Vallampati for her vision, leadership and support this year. I am also grateful to serve alongside our dedicated Club Growth Director, Craig Gerlock who brings innovation and commitment to the Trio. It has been an honor to serve District 10 as Program Quality Director this year and especially in collaboration with my fellow Trio members.

With program quality at the forefront of my responsibilities, this year presented unique and unexpected challenges as we found ourselves in the midst of understanding and reacting to the impact of COVID-19. During this time of social distancing and uncertainty, we have remained socially connected and supportive. Our district-wide transition from in-person to online club meetings has been transformational. We've had to learn new skills, step out of our comfort zones, and lead the way while creating the road map. **Collectively we've had to all go for it!**

Zooming our way as a District...
A big thank you to our Zoom Managers, Dan Minder, DTM; Sandra Orland, DL4, EC1; and Lenroy Jones, VC4, who have been instrumental in leading our Zoom Trainings and helping members and contestants feel more confident in Zoom. Thank you to additional contributors to training: Aziz Radwan, DTM; Daniel Spearman, DL3; and Keith Wilhelm, CC.

Training...
All of the additional training allowed members and contestants alike to gain more confidence in the new virtual speaking environment. We had several Toastmasters step in to contribute to the content creation and facilitation of training including all 5 of our Division Directors as they managed Division Zoom Accounts.

Education...
Thank you to our Distinguished Toastmasters Chair, Dan Minder, DTM; our Pathways Education Chair, Bill Simpson, DTM, PDG; our Pathways Virtual Trainer, Robbie McKee, PM4; and to all Club Officers district-wide leading their clubs, and Area Directors supporting their clubs toward keeping connections and achieving goals together.

Contests...
This year we have hosted numerous club and area contests in-person, and 5 Virtual Division Contests led by Division Directors: Norberto Flores, ACG, ALB; Rayshawn Eatmon, DTM; Ines Jimenez, DTM; Wendi Polman, DL5, PM4; and Lenroy Jones, VC4. This effort culminates this weekend with our **District 10 Table Topics and International Speech Contests** led by Keith Wilhelm, Contest Chair; Lenroy Jones, Contest Master; and Chief Judge Vicky Nann, DTM, Immediate Past District Director.

Conference...
People, Purpose, Passion: The Pathway to Success.
KUDOS and a special message of thanks to our **2019-2020 Conference Co-Chairs, Ines Jimenez, Western Director and Mark Meisner, Western Division PR Manager**, who have led with conviction, inspiration and also without missing a beat.

Congratulations to District 10 on a successful transition to “Virtual Vitality” with 2020 Vision and beyond!

Yours in Leadership,

Alicia Smith-Kirk, DTM

We would like to extend a warm welcome to you, as together we make history by holding the first District 10 Virtual Conference! Thanks to the support and trust of our District Executive Committee we are persevering through these challenging times! The Toastmaster community regrouped, learned new skills, and all contributed to make this special event come to fruition.

District 10 began with the formation of Akron Toastmasters Club #151. Lewis (Lew) Turner, while visiting California in the 1930s, heard of an organization that promoted self development and the "how-to" for more effective communication.

He was so impressed after visiting the club of our founder, Ralph Smedley, that he vowed to form a club upon his return to Akron. He started the first Toastmasters Club in Ohio, which was chartered in December 1939. It became the 151st community in the world to welcome Toastmasters.

The idea spread and by 1941 there were seven Toastmasters clubs in Ohio. Lew Turner then set in motion the formation of the District in 1941 where a minimum of 10 clubs was required.

In early 1942, we became the Tenth District in the world to be formed and thus District 10. Lew Turner was appointed by Dr. Smedley to serve as District Governor until the first election was held in 1943.

Lewis Turner also felt strongly about women gaining the same skills that men were receiving through Toastmasters. He learned that Dr. Smedley had been instrumental in forming an organization for women, the International Toastmistress Club. Lewis Turner helped form the first Toastmistress club east of the Mississippi in 1941, "The Akron Club." In 1973, Toastmasters club membership was opened to women.

Turner's interest in Toastmasters energized him to become an International Director in the 1940's and ultimately the 1949-50 International President. He is one of two District 10 members to have served as International President. The other was T. Vincent (Vince) McIntire (1956-67). There have been 11 other members from District 10 who have gone on to become International Directors.

By 1953, there were 63 clubs in District 10 when the clubs in southern Ohio petitioned for establishment of another district. The new district started operating as District 40 on July 1, 1953 with 39 of the clubs from District 10, leaving us with 24 clubs. By July 2003, District 10 set a new record of 100 clubs. There are currently 106 clubs in the District.

District 10 hosted the 1969 International Convention at the Sheraton-Cleveland Hotel, with Eldon Phillips as the Chairman. In 1991, Nate Parries conducted the Memorial Tribute at the International Convention in Atlanta.

After he was done playing, people asked Paul to tell his story to inspire others but there was one problem….Paul wasn't sure how.

The Hit Hard Journey will blend Paul's story of overcoming adversity, his journey in Toastmasters, and his trajectory as a successful motivational speaker. Using his life as a teaching tool, Paul will show you how to take your story and leverage into success both on and off the stage. You will:

- Learn Paul's essential strategy in overcoming adversities
- Understand how to use Toastmasters to accelerate your speaking career
- Identify the one key practice to make yourself a better speaker

The Leader Inside of you!

Are you a leader? We need leaders, and they come from all walks of life. There's just one problem: a lot of us don't really know how to become an effective influencer in life, business or for a worthy cause. We may have the desire, but don't know if we have what it takes. There's an authentic leader that lives inside all of us.

Lenard Taylor has been a part several fortune 500 organizations for over 20 years and has experienced a steady successful career. He will share his insights about self-discovery and how he has worked to be an authentic leader.

This workshop will offer you the tools to help you discover your best self! In this workshop we will explore:

- The kind of leader you aspire to be
- Understanding leadership personality types
- What it means to be authentic

This is a self-reflective workshop that will motivate you to engage in self-discovery. Are you ready to dig deep and find the leader inside of you? If you are, then this workshop is for you!

Sherry Watts, DTM

Sherry A. Watts has spent a lifetime analyzing how words and actions affect others. Unfortunately, she didn't learn how to present her ideas and it held her back professionally.

Immersing herself in learning presentation skills from Toastmasters and other experts, she finally found her voice. Her confidence soared and she transformed from someone who didn't speak at all into an accomplished speaker.

Sherry earned her DTM in 2008 and is a member of Word Warriors.

As founder of Civility Concepts, Sherry presents professionally and coaches speakers who want to take their skills to a higher level.

Educational Session IV
Saturday

Connect Your Message to Your Audience

How do you find common ground with your audience? What tactics do you use to connect with your audience? Great presentations are relatable and drive actionable behavior.

This program will help you maintain a strong connection with your audience by simply changing a few words in your presentation. In this program you will learn how to:

- Set up a relatable connection to your audience,
- Maintain that connection as you share your stories and challenge them to act, and
- Ask yourself two specific questions that will connect and engage your audience at a whole new level!

Connecting with your audience allows them to see possibility in your message. If you want to have a meaningful connection and engage your audience, this program is for you!

Andrew Winter, IP1

Andrew Winter of ToastMasters 497 in Westlake, is a new member with a year of experience. However, his new career gives him plenty of practice as a Sales Engineer performing demos world wide, typically to a virtual audience. Andrew has many side hobbies/careers and is always interested in networking to better understand the world. A passionate technologist, he has the opportunity to dive into a lot of conversations about the future. Today he is excited to present to you a teaser of what drove him to leave the ordinary and become a little bit “extra!”

Bridging the Generational Gap: Baby Boomers, GenX, and Millennials

Differences across generations can create frustration, breakdowns in communication, and decreased productivity. These differences can cause tension everywhere, even in Toastmasters! There are two words that can mitigate that tension and build bridges: Understanding and Respect. When we put those words into action, we can connect with our peers, managers, fellow Toastmasters and all of humanity on a deeper level. In this workshop, we will:

- Understand the cultural differences between the generations.
- Explore respectful pros and cons in communication styles.
- Test out our approaches to communicating across generations.

This will be a fun, comical, exploratory workshop to challenge the different generations to communicate outside of their stereotyped norms. #Boomers, get ready to tweet your #feelings! GenX, you can post a selfie on Facebook at the meeting! Millennials, join us for a faxable participation award! As George Orwell said: *"Each generation imagines itself to be more intelligent than the one that went before it, and wiser than the one that comes after it."*
